This material is protected by the federal Copyright Act (17 U.S.C.). It is unlawful to reproduce, distribute, or publicly display any copyrighted work (or any substantial portion thereof) without the permission of the copyright owner.

Do not repost or reupload this work online.

In order for copyrighted materials to be made available via the college’s password-protected course management system (Moodle or Evolve), use must meet criteria listed in the Fair Use doctrine embodied in Section 107 of the U.S. Copyright Law (17 U.S.C. § 107). Fair use of this material includes in-class use, non-profit teaching, scholarship, and research. Faculty members assume responsibility for posting material online.

Faculty: Please remove access to this copied resource at the end of the term.
